

OHS Leadership Program - Student Application Form

Please note, two students must fill out this form to be considered eligible as a "team entry."

There must be two successful applicants for the program to be run at your school.

The Workers Compensation Board (WCB) is seeking high school students (two per school) to become Occupational Health and Safety (OHS) Leaders. Upon successful completion of the program, each leadership student will be awarded \$500 (\$1,000 per team).

Successful Program Completion (what's expected):

1. **Attend a one-day mandatory orientation and training session** at the Hunter River Community Centre on **Thursday, November 12, 2020** (mileage will be paid). This is a PD day, so you will not be missing class. Upon selection, successful Leadership students will receive more details about Orientation Day.
2. Work as a leadership team at your school to **organize four events**, spaced out between November and March. These events/activities will help to raise awareness among other students about OHS.
3. Work under the guidance of the WCB Youth Education Consultant and **maintain a social media presence to promote occupational health and safety, and your OHS events.**
4. Document events/activities and produce a **year-end summary** of your OHS leadership events.

An eligible applicant:

- Is in Grade 11 or 12
- Is good at connecting with other students and coordinating with school staff
- Is interested in learning, and helping others to learn, about how to stay safe at work

If you have any questions about the OHS Leadership Program or application process, please contact the Youth Education Consultant: ohs.youthed@gmail.com or phone/text: (1) 902-626-5661

Please submit your completed application form to the Youth Education Consultant ohs.youthed@gmail.com by **October 9, 2020.**

When completing the form, remember to:

- (1) Rename and save the pdf to your hard drive; (2) save this file (as you complete it); and
(3) attach new pdf application to the email

Submit completed form to:
