SAFETY CHECKLIST

First Aid, Personal and Protective Equipment (see Sections 12 and 17)

Date inspected: **Inspected by:**	**OK**	**NO**	**If No, document any deficiencies/irregularities and note any remedial actions and date taken**
FIRST AID AND EMERGENCY RESPONSE			
Are the civic address and emergency phone numbers posted in prominent places (e.g. by telephones and in main work areas)?			
Is the civic address clearly visible from the road?			
Are First Aid kits within easy access to workers and are sufficiently stocked?			
Does the proper number of workers hold valid first aid certificates from a recognized training agency?			
PERSONAL PROTECTIVE EQUIPMENT (PPE)			
Is properly maintained personal protective equipment available for all hazards present on the worksite?			
Have all workers been instructed to use appropriate personal protective equipment at all times?			
Is personal protective equipment (including gloves, goggles, respirators and aprons) always used by worker when applying or handling chemicals?			
Is hearing protection used when operating noisy machinery and power tools?			
Do machinery operators wear clothing which is tight-fitting and not torn or ragged when working near machinery?
