Occupational Health & Safety Service Providers

Disclaimer

This list is intended to assist in identifying occupational health and safety service providers by service area. The information contained herein has been supplied by the providers themselves. Inclusion of a provider on this list does not constitute an endorsement or recommendation by the Workers Compensation Board (WCB) of Prince Edward Island.

The WCB does not guarantee the accuracy or completeness of this information and is not responsible for the services, qualifications, or performance of any provider listed. Employers and individuals should review providers carefully to decide whether they meet their specific needs. When selecting a provider, readers are encouraged to consult the document *Determining an OHS Service Provider's Qualifications.*

The WCB reserves the right to amend, revise, or remove providers from this list at any time.

For further information regarding workplace health and safety, please contact the Occupational Health and Safety Division of Prince Edward Island.
